## DRIVER OF THE MONTH

Luis is a kind and hard working individual with exceptional leadership qualities. He is one of the best leaders we have had the pleasure of working with. Luis always goes above and beyond. He does his job, always making sure he is safe. He makes on time pickups and deliveries as well, and trains new drivers to be safe out on the road. Every time we talk to Luis, he always makes us smile. His mood is always so positive.

**4th of July**

Expect delays. Traffic can get quite heavy for the 4th of July. You might get caught in traffic. Plan your route ahead of time and account for potential delays.

If you are in Tucson, stop by for some food and fireworks! We would love to see you!
